

GCxGC TOF MS Usage Charges

Internal User Charges

The charge for internal users is Rs 400 per injection.

For modes other than liquid injection and headspace, internal users should directly buy the additional consumables required for their own use.

In addition, the internal users should support the facility by procuring the consumables needed for running the facility.

Payment may be charged to a project through the page for this facility on the SAIF interface.

External User Charges

The charges per injection for various modes of analysis is as follows:

Analysis Type	Sample analysis charges per injection (Rs)		
	Academic	R&D Lab	Industry
Liquid injection/ Headspace	2500	5000	12500
Twister/TDU	3000	5600	13500
Pyrolysis/SPME	5000	8000	17000

Additional 18% GST will be applicable.

After sample registration advance payment needs to be made through bank transfer. Proof of payment needs to be submitted to SAIF/CRNTS office; SAIF/CRNTS office may be contacted for additional information (office.crnts@iitb.ac.in).
