

## **Industry Day on Connected and Automated Vehicles (CAV) 15 February 2025**

Industry Day on Connected and Autonomous Vehicles (CAV) was hosted on 15th Feb 2025 by IIT Bombay's - Industrial Research and Consultancy Centre (IRCC). This event brought together leaders from the automotive, telecommunications, and intelligent transportation sectors and academic pioneers to collectively explore the future of mobility. Prof. Archak Mittal, Dept. of Civil Engineering, IIT Bombay led the discussions which contributed to identifying actionable priorities for scalable, affordable, and India-centric CAV technologies. Shri. Prashant Jagannath Fegde, Regional Officer, Ministry of Road, Transport and Highways was the Chief Guest for this event. His experience further enriched the discussions in guiding the vision for India's future in mobility.
