

Indian Institute of Technology Bombay
(IIT Bombay)

Industrial Research Consultancy Centre (IRCC)
presents

Industry Day on Robotics and AI

24th April, 2026

Key Objectives

- Showcasing Robotics Research
- Interdisciplinary Collaboration
- Wide Range of Robotic Applications
- Focus on Advanced Technologies
- Strengthening Industry-Academia Partnerships

Event Schedule

Session 1: Intelligent Robotics

- Learning and Perception
- Perception and Sensing
- ML and Adaptation
- Autonomous Decision-Making

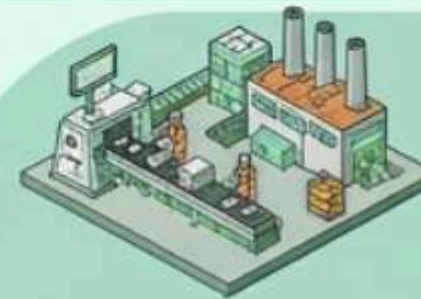

Session 2: Collaborative Robotics

- Multi-Agent Swarms
- Human-Robot Interaction (HRI)
- Multi-Robot Systems
- Co-bot Applications

Session 3: Industrial Applications

- Industrial Field Applications
- Manufacturing Automation
- Rugged Field Deployments
- Inspections and Service

Collaborate | Innovate | Transform

Lecture Hall No 22
Second Floor, VMCC
IIT Bombay

Building Industry Partnerships for

Automation	Inspection	Innovation	Impact
